Draft Economic Vitality Strategy Ready for Public Review

MOUNTLAKE TERRACE— A Draft Economic Vitality Strategy is ready for public review and will be considered by the Planning Commission on Monday, October 13 and by the City Council on Monday, October 20. Both meetings start at 7:00 pm in the Mountlake Terrace Library, 23300 58th Avenue West.

The draft strategy recommends goals and actions for increasing desirable investment, strengthening the City's image, and facilitating development of the Town Center.

Developed in conjunction with a new sustainability strategy, the Economic Vitality Strategy calls for targeting clean technology businesses. (See www.cityofmlt.com/sustain for sustainability information.)

Building on past plans, including the last economic development study for Mountlake Terrace created in 1999, the proposed 2008 strategy has many new components and puts a stronger emphasis on sustainability and on Town Center redevelopment.

The Economic Vitality Strategy is intended to meet the City Council's adopted economic development goal.

More information on the Draft Economic Vitality Strategy is available at www.cityofmlt.com. For information on the meetings or how to submit comments, call the Community and Economic Development Department at (425) 744-6266.
