Neighborhood Names Sought

MOUNTLAKE TERRACE — Ideas for re-naming two neighborhood districts (now called "[East Terrace](#)" and "[North Terrace](#)") in Mountlake Terrace are being sought. The effort follows up on a Planning Commission suggestion to consider more unique or place-based names for these two neighborhoods.

The city's other neighborhood districts—Gateway, Town Center, Melody Hill Village, and Lake Ballinger—already have unique names.

To get input, the City is asking for people to fill out an informal survey or send in their ideas. The survey is online at: www.surveymonkey.com/s/MLTNeighborhoods. For a copy of the questionnaire, or to otherwise send in ideas, anyone may email Neighborhoods@ci.mt.wa.us or call 425.744.6266.

The survey lists some name options that reflect earlier ideas from the community. These include "Cedar Way" and "Lyon Creek Neighborhood" for the neighborhood now known as East Terrace and "Meadow Heights" and "Woodlark" for the neighborhood now known as North Terrace.

The Planning Commission will consider the naming ideas and make a recommendation later this year. A final decision on any name changes is up to the City Council in December. Meanwhile, neighborhood input is encouraged.
